McKINLEY UPDATES

There have been lots of exciting things happening at McKinley and we're excited to announce that we now have a website that highlights all these great happenings. Please go to www.mckinleyptc.com to find out about:

- who's still teaching at McKinley,
- what's happening at the school....Did you know that McKinley now offers an International Baccalaureate program?
- all our various **FUN**raising and fundraising events (Carnival, Variety Show, Frisbee Golf Tournament, Pizza Nights, Craft Faire, etc.)

Mark Your Calendars: McKinley's Carnival will be held on **April 10** from 11:00 to 4:00. All are welcome. Bring your kids, grandkids, or just yourself and come enjoy a fun day at McKinley!

Help Be Part of McKinley's Story Corp: As part of their studies this year, McKinley students are studying where they fit in "place and time." We're looking for McKinley alumni that students can interview to learn what it was like when you were growing up, both inside and outside school. What were classes like in McKinley when you went to school? What was it like growing up? What were your post-McKinley school and work experiences? What were some of the major events that occurred in your lifetime? Share your experiences with current students and help expand their worlds!
