GET READY FOR GREAT PORTRAITS

This year your school photography is being handled on a “Proof Plan” basis. This means that the photographer will take your portrait on picture day and you will view it in “proof” form before ordering the portrait packages you want.

Every student will be photographed but no orders for finished portraits will be taken until you receive the “proof” to view.

LOOKING GOOD

Wear neutral colors – preferable in more subdued hues that enhance facial tones and do not detract from expression.

Avoid the “just cut” look – if your hair needs a trim, have it done as soon as possible to avoid the “just cut” look on picture day.
