

CASTING CALL!

McKinley Theatre Company ● Presents

Annie

December 17th & 18th, 2015 - McKinley Elementary

PLEASE VISIT MCKINLEYPTC.COM/ANNIE FOR MORE DETAILS AND TO REGISTER FOR AN AUDITION TIME.

Last year, the McKinley Theatre Company saw its highest ever turnout for auditions. It is exciting that our program has attracted so many talented young performers, and we love that the arts are thriving at McKinley!

However, when faced with such a large cast size, there are certain aspects that need to be taken into consideration. Our priority is to give all participating performers the best experience possible, allowing them to learn a few things, be safe, and have fun.

With that in mind, **all parts will be auditioned for** (including the ensemble/chorus).

After filling out your **Audition Registration Form**, (McKinleyPTC.com/Annie) **you will be given an audition time slot.** Forms are due Friday, October 16th.

McKinley Theatre Program is put on entirely by volunteers. If your child is given a role in this year's production, we count on your enthusiastic support along with your active participation. Volunteer Opportunities are listed on the website and the registration form.

Late Registration Forms and "walk-in" auditions will not be accepted.
