FALL & WINTER CAMPS at the
MEDIA ARTS CENTER SAN DIEGO

DIGITAL GYM

During the weeklong Fall & Winter camps, kids and teens get their creative juices flowing and collaborate to create amazing original movies. Skills learned include how to operate a camera, how to write a script, how to edit with Adobe Premier, how to navigate programs like iMovie, GarageBand, and iStop Motion, and how to create a movie from start to finish.

After each session, family and friends are invited to watch a special screening of the campers videos in the Digital Gym's 48-seat cinema!
