

# Summer Reading Skills PROGRAMS

PHONICS COMPREHENSION VOCABULARY STUDY SKILLS SPEED READING LOVE OF READING

## CLASSES OFFERED ON CAMPUS

SAN DIEGO STATE UNIVERSITY

College of Extended Studies

### Success Starts Here

Skilled readers have the confidence and motivation to successfully tackle their challenges in school. And success builds on success: the more children read, the stronger their skills become - in all subjects!

Students in our programs develop the skills and confidence that make reading easy and enjoyable.

Enroll your child now and make the next school year a big success!

### Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, your child will learn to read. Children in this program learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences, and will develop a love of books and reading.

### Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children in this program learn phonics and sight words, improve comprehension, and develop a love of books and reading. Your child will get excited about learning to read and get off to a great start in first grade.

### Program for Entering 2nd Graders

In this fun summer program, your child will become a fluent, independent reader. Children in this program build solid phonics and word-attack skills, and develop reading fluency and comprehension. Your child will gain confidence and develop a love of books and reading.

### Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, fluent reader. Children in this program develop long-word decoding skills, reading fluency, and good comprehension. Your child will gain confidence and develop a love of books and reading.

### Program for Entering 4th and 5th Graders

In this fun and effective summer program, your child will become a skilled, enthusiastic reader. Students in this program develop long-word decoding skills, fluency, and strong comprehension. Your child will complete homework more quickly and easily, be more successful in school, and develop a love of books and reading.

### Programs for Entering 6th-8th Graders and Entering 9th-11th Graders

In these effective and enjoyable programs, our average student will improve comprehension in both fiction and non-fiction, and will learn to read twice as fast. Students in these programs learn the best way to read textbooks, take notes, and study for tests. Your student will complete homework more quickly and easily, earn better grades, and enjoy reading more.

## Teachers

Programs are offered by San Diego State University College of Extended Studies. Classes are taught by instructors from the Institute of Reading Development.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!"

Parent of 4th grader

## Class Schedule
